

## ★Oak Hill is Going Green★

Did you know there are around 850 students at Oak Hill this year? Just think of all the paper needed to send home hard copies of flyers and announcements. We want to **go green** this year by cutting down on the amount of paper used to communicate with parents. Both the school and the PTA will begin issuing flyers and announcements electronically, rather than sending paper copies through the Friday folders. Flyers will be available on the school and PTA websites ([www.fcps.edu/OakHillES](http://www.fcps.edu/OakHillES) and [www.oakhillpta.org](http://www.oakhillpta.org)). Announcements will also be made through Keep in Touch (sign up at [www.fcps.edu](http://www.fcps.edu)) and the PTA's Facebook page ([www.facebook.com/oakhillpta](http://www.facebook.com/oakhillpta)). Continue to check your children's Friday folders for projects and work sent home, notes from their classroom teachers, and permission slips for activities such as field trips.

### Do You Need Paper Copies of Flyers?

We realize that not all families have easy access to the internet. Both the school and PTA are happy to continue to provide paper copies of flyers when needed. If you **do not** have regular internet access at home, please complete this form by **October 18** to receive paper copies of flyers and announcements each week. Because some announcements are grade-specific, while others are sent only to the oldest or only child in the family, please include information for each child at Oak Hill. Use additional space if necessary.
